Add a primary color of passion to your kitchen with these five red-colored products – espresso maker, teapot, tea towel, kitchen scale, swivel steel stool.

## Bonaldo Bonnie Adjustable Swivel Steel Stool – Made in Italy

**This red swivel stool from Viadurini adds an Italian style to the home bar design.** It's adjustable in height. The steel structure is painted in the same color as the polypropylene seat. The red bar stool is equipped with footrest protection in the same color as the structure.
