Samuel Platt, Creative Design Manager at [Homebase](#), has also remarked upon this change in the way customers are using their outdoor spaces. He comments that people are less easily put off by the weather and are extending their living spaces out into the garden with the comfort of outdoor rugs, L-shaped sofas, cushions, and lanterns.

A garden pub complete with a drinks station, stylish seating and some festoon lights would tie in perfectly with existing [outdoor kitchen ideas](#) on your decking or patio.
